From February 2006 to May 2011 item read "Reducing the federal budget deficit;" an experiment conducted in July 2011 showed no significant difference between the current wording and this wording. In Early October 2005, the item was asked as a standalone question. In June 1999, the item was worded: "Keeping the federal budget balanced." In December 1993 the item was worded: "Reducing the budget deficit."

In December 2012, July 2004, and April 2000 the question was not part of a list. 11
